

Binogi Video: Pressure in Liquids
 English-Add a Language Bilingual Concept List
The Escape Projects

Concept in English	<i>Add the Concept in another Language</i>	Picture
<p>Pressure The amount of force exerted per area. If the area is bigger, the pressure is lower. If the force is higher, the pressure is also higher.</p>		
<p>Eardrum A thin membrane separating the outer and middle ear. The membrane starts to vibrate when hit by sound waves, the vibrations transmit to the middle ear.</p>
